MAROOF QURESHİ

Frontend Web Developer | UI/UX Developer

I am Maroof Qureshi, a skilled Frontend Web Developer with over three years of experience and a portfolio of 75+ successful projects. Known for delivering user-centric and performance-optimized applications, my work spans various industries and international teams, showcasing my versatility and dedication to quality.

Beyond my technical skills, I have also developed a strong foundation in sales and communication through my certified roles in community onboarding and sales services at Fondi Inc. These experiences have helped me connect with diverse teams and clients. I'm committed to professional growth, always expanding my skill set to stay current with industry trends and innovations.
